Computer rooms

You can use the public computer rooms for solving your exercises. The required software is installed in the following rooms:

- CAB H56, H57

Power and network support, in case you want to use your own laptop, is available in the following rooms:

- CAB E 31, HG E 27 Galerie, HG H 30, HG H 29, HG H2 6, HG E 27, HG E 19, HG E 26.3
(see Map)

Exercises and Testat regulations

You **have to get the testat** to be admitted to the final exam. To get the testat you need to

1. Have **all weekly assignments** accepted (you are allowed to miss one). These assignments will be distributed on the course homepage. You have one week to complete each assignment.
2. Have to be present at the **two mock exams** (mini-exams used to gauge your progress), which will be conducted during the exercise sessions.

Map

Use this map to locate the computer and exercise rooms:
